1. A deposit of 25% must be paid at the time of booking if this is more than 28 days before the event. Total hire charges due must be paid no less than 28 days before the event.
2. If alcohol is to be served during the period of hire an additional deposit of £100 will be required. If the booking is for a party an additional deposit of £200 will be required. Both deposits refundable if no damage has been caused; otherwise cost of any repairs/replacements will be deducted (if less than the deposit) or forfeit (if more than the deposit).
3. The day rate covers the use of the Hall or Clubroom from any 'reasonable' time in the morning until no later than midnight. This includes time for clearing up.
4. It is often more convenient for a day hirer to return to the Hall to clear up on the morning following the event. This is usually acceptable provided it has been arranged in advance with the caretaker and there is no conflict with a booking for the following day.

Definition of hourly rate

The hourly rate will be charged for every hour or part hour that the Hall is used. The hours charged shall include the time taken to set up and clear the Hall.

Definition of jumble sale rate

Tables £1.50 each

Chairs 30p each (unless required by someone who has hired the Hall)
